Data Privacy Statement for Applications

Information on how to send your application data to us in encrypted form can be found here:

www.maxweberstiftung.de/verschluesselung

It is essential that the Max Weber Foundation (MWS) store all data submitted by you during this application procedure, as well as, if applicable, the data required during the period of financial support. We point out the following to you: If your application is successful, the MWS will store your data for the period necessary for fully processing the financial support and the legal grace periods. If your application is unsuccessful, the MWS will store your data until the periods for bringing an action have expired. This is generally 6 months. If an action is brought by an applicant, the MWS will store the applicant's data until the legal dispute has ended. The MWS will not pass on this data to third parties. The MWS appoints external experts and members to selection panels. These experts and members will be bound by the MWS to confidentiality.

You have the right to access your data stored with us. As the confidentiality of the results of our evaluations is essential for the granting of the financial support, these results will not be communicated.

Exercise of the following rights after the evaluation and selection process has begun would impair the legitimate interests of the Foundation and the other applicants and may, therefore, be refused:

- You have the right to erasure. If we refuse to erase individual data after the evaluation and selection process has begun, you may alternatively request that all your data be erased. We would understand this as being a withdrawal of your application.
- You have the right to rectification.
- You have the right to have the processing restricted.
- You have the right to data portability. As the confidentiality of the results of our evaluations is essential for the granting of the financial support, these results will not be communicated.

If we create profiles of you during the evaluation process, we shall use these profiles only in the course of, and for, the respective application process. Such profiles will be erased with the application data. For the reasons mentioned, there will be no entitlement to portability of the profile data mentioned.

If you have any questions relating to data protection or to the exercise of your rights as the data subject, please contact the data protection officer of MWS:
